* Regional figures may include data for countries/regions other than those listed below. For a complete list of country groupings, see pages 191-192. The number "0" (zero) means zero or less than half the unit of measure.

.. Data not available.

a Bread for the World Institute estimate.

b Occupied Palestinian Territory.

c Data either refer to a period other than specified in the column heading and/or to a UNESCO Institute for Statistics estimate where country estimates are not available.

d Special Administrative Region, data exclude China.

e Data refer to the most recent year available.

f Calculated using the World Bank Atlas Method.

g Includes Hong Kong Special Administrative Region (China) and Macao Special Administrative Region (China).

h Urban data only.

i Includes Montenegro.

k Data refers to HDI values for the year 2006.
