**Footnotes**

\* Regional figures may include data for countries/regions other than those listed below. For a complete list of country groupings, see pages 191-192. The number "0" (zero) means zero or less than half the unit of measure.

.. Data not available.

**a** Data refer to the most recent year available.

**b** Occupied Palestinian Territory.

**c** Data refer to years or periods other than those specified in the column heading, differ from the standard definition or refer to only part of a country. Such data are not included in the calculation of regional and global averages.

**d** Special Administrative Region, data exclude China.
